

**JENNINGS COUNTY COMMISSIONERS MEETING
JULY 12, 2018 6:30 P.M.**

Matt Sporleder and Ellie Bright absent

The meeting was opened with Bob Willhite leading the pledge to the flag.

A most unusual meeting as there was no one on the agenda for the meeting. Mr. Willhite asked if anyone in attendance had anything and Sherri Williams, highway clerk, said she had something to ask the Commissioners. Ms. Williams had been contacted by INDOT with an email stating that KENTUCKY KINGDOM AND HURRICAN BAY wanted to offer the county employees a 2 day pass to the park for \$29.95. Ms. Williams asked the Commissioners if there were any objections to her passing this information to the employees and there were no objections.

Sheriff Driver informed the Commissioners that the 2nd dog that his department had obtained did not work out and was returned. Sheriff Driver stated that he had purchased a new dog named ALF and he and his handler Cody Low would start training on August 6th. Sheriff Driver had a picture of ALF to show those in attendance.

Dave Lane made a motion to sign claims and payroll; Bob Willhite seconded the motion. Motion passed.

Dave Lane made a motion to approve prior minutes; Bob Willhite seconded the motion. Motion passed.

With no further business, Dave Lane made a motion to adjourn; Bob Willhite seconded the motion. Motion passed.
