

**JOINT SESSION OF THE JENNINGS COUNTY COMMISSIONERS
AND JENNINGS COUNTY COUNCIL
THURSDAY, APRIL 12, 2018 5:00 P.M.**

The Jennings County Commissioners and the Jennings County Council held a joint session prior to the regular Commissioners meeting on Thursday, April 12, 2018 at 5:00 p.m. The purpose of the meeting was an update to the Council and Commissioners and those in attendance by the Consultants on the renovation or replacement of the existing Jail. Eric Ratts with DLZ the Engineering firm chosen to do the design for the jail and Dan Zuerner with Garmong Construction who is the Construction Manager for the project.

Mr. Ratts and Mr. Zuerner gave both visual and verbal examples why adding on at the existing site would just not be feasible. Mr. Zuerner stated that it would cost \$23 million to add on and \$27 to build a new jail on a new site. Both gentlemen stated they could not recommend placing a pod attachment to the current jail site.

Attest:

Kay Sue Vance, Auditor
